NOVEMBER 2017

**“Praise to the Lord, the Almighty, the King of creation!
O my soul, praise him, for he is our health and salva-
tion!”**

Dear Family,

This hymn has always been one of my favorites. I love how the hymn writer describes God as the Source of health and salvation. In Greek, the words health and salvation are related to one another. Health and salvation are gifts from the Triune God who cares about our bodies and our souls.

As we head into the month of November, I give God thanks for the gifts of family and community. This month, we want to lift up our healthcare providers. At Jordan Memorial, we have a number of nurses, occupational therapists, and hospital workers that give of their time and talents daily. We want to celebrate their impact on our community by providing 50 \$10 gift cards that will be distributed throughout our local hospitals and rehabilitation centers. Our hope is that this will be a tangible reminder that we at Jordan Memorial love and appreciate them. Join me in this endeavor by bringing in at least one \$10 gift card throughout the month of November.

I give God thanks for you and the impact you are making in our church, community, and world that God loves. You are a blessing!

Grace and peace +

Josh

Dear IMPACT: Ramseur

I cannot begin to express the gratitude that fills my heart, nor can I begin to fully express the peace of mind that your work has given me, my husband and especially Pauline.

For nearly two years the only ability she had to get outdoors and breathe fresh air was with our assistance. She was at our mercy and the mercy of our schedules. Now she can venture out without assistance. She can wave again at our neighbors as they pass by. And in the event of an emergency, she can exit without fearing greater injury that would certainly place her back in the nursing home.

We are truly blessed by your work, devotion and most of all, your love and commitment to your fellow man.

Thank You! The Robbins family
